An estimate of giving is a statement of the financial support that you plan to give to St. Francis in the Valley for calendar year 2022. An estimate of giving is made following prayer and thoughtful deliberation. Your estimate of giving is confidential. Should you want to adjust your estimate of giving at any time during the year, please contact the financial officer, Deborah Harby, in the St. Francis in the Valley financial office at [deborah@stfrancisgvaz.org](mailto:deborah@stfrancisgvaz.org) or at (520) 625-1370.

Your generosity provides funding for the St. Francis in the Valley clergy, staff, the maintenance of all buildings and grounds and the operation the many St. Francis in the Valley ministries that benefit the St. Francis in the Valley parish family, the Santa Cruz Valley community and the world at large.
