

Weekend Worship at St. Francis, beginning Sunday, May 2

In May we are planning to be, and with much rejoicing, worshipping in the church once again. The following directives still apply:

- Entry to the church will continue to be from the West parking lot. The East (i.e., front) and South Chapel entrances will not be open.
- Greeters will meet you and take your temperature and ushers will seat you in the church.
- We must continue to bring and wear our masks and remember to practice social distancing (unless you are a couple).
- Reservations will still be necessary until we are otherwise informed by the Diocese.
- Reserve your place with the Parish Administrator via email (preferred), at gerald@stfrancisgvaz.org or, alternatively, you may call the Parish Office—520-625-1370—and leave a message for Parish Administrator Gerald Near. Please be sure to include first and last names of worshippers as well the date of the service you wish to attend. (We are not able to take reservations for multiple services, only the next service upcoming.) We will not reply to your email, or phone call, unless we are at capacity.
- Please remember the weekly deadline for reservations is still Thursdays at 2 pm.
